To All SMTA Members

Dear Members,

It was a pleasure indeed, to participate / witness the Felicitation program held in honor of the Hon'ble Minister of Industries – Delhi S. Manjinder Singh ji Sirsa. The business conducted in the said event was quite positive. *(For those who could not witness / attend the event, this link can be helpful in reviewing the same.*

<https://youtube.com/live/wdCqJ8qC82Y?feature=share>)

We once again thank all those who attended and supported the event to give it that success,

We take pleasure in sharing the following facts:

1. The Industry Minister's office has issued an office note to the MD – DSIIDC for exploring the feasibility and suggest the possibility to meet SMTA's requirements with a copy endorsed to us. Also the Chairman – Land and Building sub-committee, Mr. Ramesh Bhasin and S. Jasmeet singh ji had a meeting with the Chair person of DSIIDC in this regard. The meeting was very cordial and positive as possibilities for the proposed industrial belts in Delhi were discussed at large.
2. In our endeavour to get the Best, we are also exploring the possibilities for establishing the proposed Medical Device Industrial park in other parts of the NCR also.
3. Looking at the massive requests being received from the members for their participation in the project, It was decided to further extend the last date of accepting Expressions of Interest up to 31st of July, 2025.
4. The date has also been extended up to 31st of July, 2025 for premature withdrawal by the members, who might change their mind at this stage. The members so desiring may apply in the format attached. It would not be out of place to mention that the members who opt to withdraw, would lose their entitlement for allocation of the plot, in case the project takes shape.

With warm regards,

Sincerely yours,

(RAMESH BHASIN)
