SMTA Platinum Jubilee Souvenir – Request for Historical Contributions

Dear Member,

As we approach the momentous occasion of completing **75 years of the Surgical Manufacturers & Traders Association (SMTA)**, we are proud to announce the publication of a **Platinum Jubilee Souvenir** to commemorate this historic milestone.

This publication is aimed to be freely distributed amongst the Govt. Departments, Hospitals and Embassies etc. in addition to our esteemed members. The said publication would be designed to contain the advertisement pages also giving an opportunity to members to give their paid advertisements.

This special publication aims to document and celebrate the rich legacy, achievements, and contributions of our Association and its esteemed members over the past more than seven decades.

In this regard, we request your valuable support and participation in enriching this souvenir with historical content. We invite you to kindly share:

- Photographs of past Presidents, office bearers, and senior members associated with SMTA
- Rare or archival images of meetings, events, exhibitions, or delegations
- Notable incidents, anecdotes, or memories related to the Association
- Any historical documents, records, or material of significance
- Personal recollections or write-ups highlighting contributions of senior members

Such contributions will help us preserve the legacy of our Association and present it meaningfully to future generations.

We request you to kindly send the above material at the earliest to enable us to include it in the publication. Soft copies (high-resolution images preferred) may be shared via email/WhatsApp, along with brief descriptions wherever possible.

Your support in this initiative will go a long way in making this souvenir a truly memorable and historic document. Feel free to contact on the following numbers :

Rajesh Sawhney + 91 98110 23779 <rajesh@sahnisons.com>
Jasmeet Singh + 91 98100 02375 <singh@jasmeet.in>

With warm regards,
For SMTA
